Описание:	

Naxxar - Urban Conservation Area (UCA) - Thoughtfully designed duplex penthouse with a private roof and airspace, part of a small block of three units. This residence effortlessly combines modern living with heritage preservation in the heart of Naxxar's Urban Conservation Area.

The lower level features an open-plan kitchen, living, and dining area with an adjacent practical box room. A corridor leads to a well-appointed bathroom and two comfortable bedrooms, each with its own balcony overlooking a peaceful green area. One bedroom includes an ensuite for added convenience.

Ascend a gracefully designed helical staircase, illuminated by a circular skylight, to reach the upper level. Here, a spacious third bedroom offers views of Naxxar Church and its own ensuite for added privacy. Next to this, a versatile washroom/kitchenette opens onto the back-roof terrace, ideal for casual gatherings.

Practical features include solar water heating, a reverse osmosis system, solid wooden internal doors, and full air conditioning. The residence is partially furnished, maintaining a refined aesthetic. An optional garage adds convenience for those seeking a balanced blend of tradition and modern living in a cherished locale.
