Located in Nonsuch Bay.

Situated in the grounds of the luxury Nonsuch Bay Resort on the east coast of Antigua, Villa Pelican is nestled in one of the many inlets found in the reef protected bay. Antigua's rolling tropical landscape and cooling trade winds completes this Caribbean idyll.

This spacious luxury villa has 3 bedrooms, the master with its 4-poster super king size bed has the added luxury of a Jacuzzi bath in its ensuite and a large covered balcony as a place to wind back and relax.

Villa Pelican is ideal for families as it is fully fenced with a large deck area for children to run around on whilst jumping in and out of the pool. The spacious living room, dining area and modern kitchen lead out to the covered outside dining and barbecue area with pool and deck beyond.

As part of the Nonsuch Bay Resort Villa Pelican guests can enjoy the clubhouse restaurant and bar, reception services, private sandy beach, 4 infinity edge swimming pools and two restaurants.

The bay is rumoured to be the best for small yachts.
