Описание:	

For sale, a multifunctional development project is available, comprising a quarter with multi-apartment residential and office buildings, with a total area of up to 120,000 m2 on a plot of land with a total area of 73,600 m2. It will combine buildings with diverse uses, offering spaces for both high-tech industries and residential purposes. There will also be convenient workspaces, laboratories, and recreational areas.

The project's vision is unique and thoughtful, offering a wide range of mixed uses and possibilities. Collaboration between architects and developers allows for the creation of a part of the city where people will work and live, offering innovations and modern living spaces.

The project's location, between the airport, the old town, and universities, provides unique conditions for both residential and work areas. This project will serve as an example of integrating world-class design and innovative technological solutions in Riga.
