#### Описание:

Located in Santos, this property has a total implantation area of 132.5 sqm and a total construction area of 927.5 sqm. It has a privileged location on Rua da Boavista.

It is a plot of land/building with potential for up to 4 floors of housing, 1 of attic space and 1 for a shop and superstore. Of the original structure, only the facade has been preserved and properly supported.

The core of the building was demolished and a metal structure was installed to support the adjacent constructions and the facade of the building. There is a building project, but it has not been submitted to the City Council for approval.
