Описание:	

A fantastic opportunity to acquire a large village property in the sought after location of Algorfa.

This is a very large house located in the town of Algorfa and overlooking the central plaza. It has 254 m2 and currently has 3 bedrooms, 1 bathroom and 2 kitchens but this space can be configured to suit the new owner and could potentially be separated into two large independent dwellings. There is a large patio at the back of the property large enough to create a beautiful Mediterranean garden with a pool.

There are two separate entrances at the front of the property that overlook the plaza. If you are looking for a home and business premises in one then this property really is worth viewing. A business here would certainly be in a very prominent position.

There is a video tour on the link so take a look and imagine what you could do here!

This is a traditional property and suitable for those looking to integrate into Spanish life in the centre of the village. Algorfa is a traditional village which attracts people of all nationalities. There are good

amenities, a bus service and you are surrounded by mountains and citrus groves.

Algorfa enjoys numerous festivals throughout the year and the Spanish here make you feel very welcome and part of the community.

We can help you with building and reform quotations and help guide you with our ideas on how to best reform this beautifully located house.
