Описание:

AGRICULTURAL PLOT OF 3700m2

Located in the charming municipality of San Fulgencio, this 3,700 square meter plot offers an idyllic setting for those passionate about agriculture and cultivation. Located in an area with easy access and close to all the necessary amenities, this extensive land offers endless possibilities for development. This plot provides spaciousness and space for the creation of a green oasis where a wide variety of agricultural products can be grown. Whether embarking on a personal organic garden project or establishing a larger scale farm, this land offers the perfect canvas to make your dreams of growing your own food come true.

The strategic location of this plot guarantees convenience and accessibility, being close to all urban amenities, such as shops, markets, health centers and public transportation. In addition, its proximity to basic services such as water and electricity facilitates any development project you have in mind. Immerse yourself in a serene natural environment and enjoy the opportunity to connect with the land while growing your own crops at this rural retreat in San Fulgencio. With its combination of space, accessibility and agricultural potential, this plot presents itself as an irresistible option for those looking for a place to thrive and grow in harmony with nature.
