Building land Sa Cavana

your home in the countryside, near the village

Just over a kilometre from Soleminis, in Cagliari hinterland, we offer a panoramic plot of land in the countryside, but not isolated, where you can build a house and a laboratory.

Is your dream to find a panoramic place in the countryside, not far from the village, in a non-isolated context, where you can build your house and your large laboratory?

With the possibility of connection to mains water and electricity, with an artesian well, asphalted road and already partially fenced? It is here in Soleminis.

In Località Sa Cavana, an agricultural area just over a kilometre to the village, land of about 2.5 hectares with access from an asphalt road. Mains water, electricity and telephone on the roadside and easy to connect.

The lot rises gently from the road to the top of the hill. It is a former vineyard with the possibility of building a house of approximately 80 sqm as well as a very large agricultural warehouse (index 0.10).

Price: Euro 2 per sqm.

The village of Soleminis offers all the main services and is connected to Cagliari with a surface metro that takes you to the Cagliari centre in about twenty minutes. In less than half an hour's drive, finally, you reach the most beautiful beaches of southern Sardinia and several golf courses. Cagliari - Elmas Airport is 20 km.
