Nice winehouse (summer house) in the wine region near the town of Nagykanizsa. Beautiful view !!

Just outside the city of Nagykanizsa there is a wine region (Látóhegy) and that is where you will find this house. Beautiful complete holiday home. You can start living here immediately.

The house offers you two floors. At the bottom the cellar with the tools needed for making the wine and above the living room, bedroom, kitchen and bathroom. Here is also the terrace where you can enjoy the view.

The plot is 2,165 m2 and there are trees and vines,

There is water and electricity. The house is heated with the wood stove.

The house is easily accessible. You can quickly buy the house in your own name.

This is a property in the wine region. Beautiful plots with many grapes and/or fruit trees and lots of peace and quiet. Just outside the town of Nagykanizsa. A large city in the south that is very easily accessible from Budapest via the M7, but even easier if you fly to Zagreb and rent a car there.

In Nagykanizsa everything you want from a big city in terms of sports, shopping, etc. There are several restaurants in the pleasant centre and there is a hospital, a great area. There is also a swimming pool in Nagykanizsa, but for the better thermal water, go to the well-known

resorts in Zalakaros. It's about 15-20 km away.

Here you will find peace and space and a wonderful place to relax.
