Plot of 1,373 m<sup>2</sup> with unused buildability.

Currently, the constructed area is 353.78 m<sup>2</sup>, but planning regulations allow up to 706.67 m<sup>2</sup> in total, meaning there are still 352.89 m<sup>2</sup> available to build. Operate the existing restaurant and residence, generating immediate income.

Expand the project with additional tourist or residential apartments, multiplying the return on investment.

Its strategic location on the N-332, between La Zenia and Cabo Roig, guarantees visibility, constant traffic, and easy access, making it one of the best investment opportunities in Orihuela Costa. Conclusion

If you are searching for a commercial property with housing in La Zenia, a restaurant for sale in Orihuela Costa, or a profitable real estate investment on the Costa Blanca, this property ticks all the boxes. Contact us today for more details or to arrange a viewing.
