1 bedroom villa to recover in Gaula, set in a mixed plot of 2,790 sqm, 28 sqm of which are urban and the rest rustic. Located in a quiet area, the property offers a stunning view of the sea, with excellent sun exposure. In addition, the proximity to the road facilitates access, and from the terrain it is possible to watch the planes landing at Cristiano Ronaldo airport and enjoy the Desertas Islands on the horizon. The plot, with a slight slope, offers excellent conditions for construction, making it an excellent investment opportunity for both housing and tourism.
