Описание:

Fantastic investment opportunity that any potential buyer should not miss. With a total area of 795 m², residential building for sale, a few steps from the Santa Caterina Market. It currently consists of 11 residential units. Each floor has a generous surface area of 158m². Although the building currently lacks an elevator, a project has already been drawn up for the installation of one, which will facilitate the incorporation of this service in the near future. This building has great potential for those with an eye for architecture and investment. Due to its size and location, it is perfect for renovation and could easily become an attractive residential or commercial space. Don't hesitate to contact us for more information.
