Описание:

Excellent investment opportunity! This spacious plot of land, with great potential for various types of activity, has a large warehouse that offers the necessary versatility. Due to its location it is excellent for businesses that require being outside the residential area.

The warehouse, with its solid structure and large facilities, is perfect for storage, distribution or even transformation. The external area of the land is generous, allowing a use for the logistics area, like others. The basic infrastructure is already in place, making it easy to adapt the space to your needs.
