Описание:

This 120 m² apartment is offered located on the fourth floor of a building with a lift, located in an excellent location in front of the Deusto metro station, between the universities of Deusto and Sarriko. Available only during the months of June, July and August, it is an excellent option for groups of students or families looking to enjoy the city in summer.

Key features:

Surface area of 120 m², distributed in 4 bedrooms, three doubles and one single, with capacity for a maximum of 5 people.

Spacious living-dining room, ideal for sharing and enjoying a comfortable and bright space.

Fully equipped independent kitchen.

2 full bathrooms for comfort.

4 m² open terrace, perfect for relaxing outdoors.

Garage space included in the price.

Other features:

The apartment has central heating, community included in the price, and intercom.

Building with elevator, located on the 4th floor, facing south-west, which guarantees excellent light throughout the day.

Exterior access adapted for people with reduced mobility.

This apartment is ideal for those looking for a well-connected location, close to universities and with easy access to public transport. In addition, its location offers all the necessary amenities for a comfortable and pleasant stay.
