Описание:

This is the most perfect holiday home, or the perfect space for someone just looking for the perfectly formed essentials in life! It also has the advantage of being a registered Casa rural licensed for touristic lettings and has operated very successfully for many years, the current owners are only selling as have recently begun another project.

The property comprises of one great sized open plan lounge & kitchen, a double bed sized bedroom, a shower room and a lovely private terrace/patio. It has fresh, clean, modern decor, yet still retaining that Spanish feel with feature tiles & kitchen.

You enter the property straight into the great sized open plan lounge & kitchen, which is light & bright, has a double glazed window with shutters to the street, letting the light flood in.

The kitchen is petit, but perfectly formed with a traditional Spanish design, that has a sink, induction hob & ample room for storage of all the essentials.

Up a few steps, to the left is a corridor which currently houses the boiler, washing machine and leads to the shower room with washbasin & toilet.

Up the main staircase, leads to the double bedroom with ample space for a double bed and wardrobe. There is also a good sized built-in storage cupboard. There are glazed double doors to a Juliette balcony, again letting the light flood in. The bedroom also has a fold down work desk and the property also has really great Wi-Fi so all set up to work from home too.
