Описание:

Tucked away in Montinhos da Luz, this single-level Portuguese villa offers a quiet retreat while being just minutes from Praia da Luz and a short drive to Burgau, Boavista Golf, and Lagos. Whether you're looking for a full-time residence or a holiday escape, the location provides both privacy and easy access to amenities.

A gated entrance leads to a covered carport and additional parking, with a well-kept garden framing the property. At the front, a spacious pool area enjoys sunlight throughout the day, while a covered terrace with a built-in barbecue is perfect for outdoor dining and relaxation.

Inside, the living area is bright and inviting, featuring a closed fireplace for cooler evenings. The adjoining kitchen is well-equipped with plenty of storage and workspace, and a guest bathroom is conveniently located nearby.

Down the hall, the primary bedroom offers built-in wardrobes, terrace access, and a private en-suite bathroom. The two additional bedrooms, also with built-in wardrobes, share a well-appointed family bathroom.

With its functional layout, generous outdoor space, and prime location, this villa is an excellent choice for a family home or a lock-up-and-leave holiday retreat. Contact us to schedule a viewing. - REF: V1231
