Описание:

Design house for rent ONLY IN AUGUST.

Spectacular house of 178m2, entering there is an office type space and a large bathroom, then we go to large and spacious living room, super bright, American style kitchen with island and large windows.

From here we can go out to the garden, with a big table to eat and chill out area. There is greenery and a lemon tree. Upstairs there is another very large terrace with a little house for storage, and barbecue area.

At the back of the house is the master bedroom with en suite bathroom and a single bedroom.

The house is completely custom designed, with high quality materials, AC, aluminium frames, double glazing, hydraulic floors and decorated and furnished with great taste and all the details.

Spectacular location, in the neighbourhood of Sants, very close to the train station, metro, bars, restaurants and everything you need to spend a great month in Barcelona.
