Описание:

Rebuilt in 2021, this excellent townhouse boasts a modern and elegant design, while preserving its original design. The charm is evident on the façade, with long and wide windows that allow the natural light to enter, illuminating the internal areas of the property in a soft and welcoming way.

Located in the centre of the stunning historic town of Lagos, this townhouse offers a unique opportunity to live close to all the amenities Lagos has to offer. With three bedrooms, two bathrooms and a total area of 169.3m², this property has everything to make living more comfortable.

The property was designed to provide maximum comfort, together with the presence of air conditioning and cosey fireplace ensuring a pleasant climate throughout the year, while the built-in wardrobes offer

practicality and organization, optimizing the available space.

The fully equipped kitchen makes meal preparation a simple and enjoyable task, perfect for those who enjoy cooking and entertaining friends and family. With a functional and modern layout, this space invites creativity and conviviality, making each meal a special experience.

This townhouse , with its harmonious combination of style, comfort and functionality, is the ideal home for those looking for a contemporary getaway without giving up the characteristics that tell the story and enjoys stunning sea and city views from the terrace.

The property also benefits from solar heating and double glazing for greater energy efficiency. With a class A energy rating , you can be sure that you are investing in a sustainable property.

Ideal for full time living or investment purposes.
