Описание:

Residential building for sale in the heart of Bilbao's Old Town, next to Abando station and very close to the future AVE project.

The property has approximately 1,015 m² built on a plot of 215 m², distributed on the ground floor, five residential floors and under the roof.

The homes are currently rented, generating a net return of approximately 4.7 percent.

Building with good structure and preserved common elements, although it needs interior renovation in the homes. Ideal for investors looking to upgrade and revalue.

Strategic location with great growth potential.
