Описание:

This bijou cottage has undergone a very nice renovation in the past couple of years .

With a brand new fitted kitchen with freshly tiled floors , new windows and a lovely new front door , the palce has been fully painted in neutral tones and the electric installation improved. There really is nothing to do .

The neat ground floor combines kitchen living and dining making the most of the space with units tucked under the stairs and in under the window , there is an induction hob fitted into the granite work tops , and under counter fridge and natural stone cladding on the walls which adds character and charm , the sink is located under the window and the electric boiler is neatly tucked away in its own cupboard , there is an under counter fridge. There is a collapsible dining table too, there is space for a two seater sofa in this space with a coffee table .

Up on the first floor is a bedroom that is large enough for a double bed plus some storage , a window with integrated shutter lets the light flood in .

Up on the second floor is a wet room style bathroom and access to the small but perfectly formed roof terrace , which has room for a table and chairs and offers some lovely views to the countryside beyond.

This property would make the ideal lock up and leave holiday bolt and /or an opportunity to obtain a tourism licence and let your holiday home pay for itself .
