Описание:	Farmhouse to renovate

Charming farmhouse to renovate on two levels only 3 km away from Scalea, located in a peaceful and tranquil area.

The property has 41,000 sq m of land with 400 extremely profitable olive trees.

The land is in the process of being totally fenced by the current owner.

Utilities like electricity, drinking water and irrigation water are present.

The property could be extended and could even be converted to a building up to 4000 sq m, partly for agricultural purpose and partly for residential use by maintaining the original characteristics of the typical "farmhouse".

The train station and Scalea airport are about 4 km away, while Lamezia Terme airport is about 100 km away.
