A Timeless Retreat: Historic 3-Bedroom Villa in Ozzano Monferrato, a UNESCO World Heritage Site

Nestled amidst the rolling hills of Ozzano Monferrato, a region recognized as a UNESCO World Heritage Site, stands a historic detached house, a testament to Italian artistry and timeless charm. This splendid residence, dating back to the 1400s, has been meticulously renovated in 2021, seamlessly blending its rich history with contemporary comforts. Offered exclusively for sale, this property presents a rare opportunity to own a piece of Italian heritage, complete with a fenced private garden, a sprawling orchard, and a luxurious wellness area.

A Symphony of History and Modernity:

This three-story villa, boasting a double exposure, offers a harmonious blend of historical character and modern amenities. The ground floor serves as a haven for relaxation and recreation, featuring a pool table, a sauna, a bioethanol fireplace, and a fitness area. Ascending to the first floor, one is greeted by a grand entrance hall and dining room, leading to an extraordinarily large kitchen, a masterpiece of tailored contemporary design. This culinary space, a true jewel of style and functionality, is perfect for those who appreciate elegance and space. The first floor also encompasses a comfortable living room, equipped with a smart TV and a 140 cm sofa bed, a laundry room, and a bathroom.

The second floor houses three double bedrooms, a bathroom, and a master bedroom with a king-size bed and an en-suite bathroom, providing ample space for family and guests. The property also features a recently renovated garage, complete with water and electricity connections. Above the garage lies a spacious room of approximately 60 square meters, adorned with a brick grate, a typical feature of Piedmontese granaries, lending a charming rustic touch. This space, totaling about 120 square meters, offers potential for further housing development, such as creating a large apartment with panoramic views.

Energy Efficiency and Sustainable Living:

This splendid property is equipped with solar panels, ensuring significant energy savings and a low environmental impact. This sustainable feature allows residents to harness clean energy while reducing their carbon footprint. An external boiler room further enhances the property's efficiency, freeing up interior space and facilitating maintenance.

Outdoor Living and UNESCO Heritage:

The fenced-in private garden, spanning 120 square meters, is an outdoor oasis, complete with a barbecue, table and chairs, badminton and ping pong equipment, a hammock, two deck chairs, and a small pool for children and a whirlpool. All outdoor lights are solar-powered, reflecting the property's commitment to sustainability. The property also includes a 3000 square meter orchard, providing ample space for outdoor activities and relaxation.

The villa's location within the UNESCO World Heritage Site of Monferrato offers breathtaking views and a wealth of cultural and recreational activities. The region is ideal for those seeking relaxation amidst stunning landscapes. Sports enthusiasts can enjoy cycling and hiking along nearby river trails and the famous Big Bench route, which passes through Ozzano Monferrato. The Infernot of Monferrato, typical cellars where wine is still preserved, are another UNESCO-recognized attraction.

A Versatile Investment:

This property represents a real deal, offering potential as both a business and a private residence. Its unique blend of historical charm, modern amenities, and stunning location makes it an attractive investment for those seeking a luxurious Italian lifestyle.

A Call to Italian Countryside Living:

This historic villa in Ozzano Monferrato offers a rare opportunity to own a piece of Italian heritage, surrounded by the beauty of the Monferrato region. The combination of historical charm, modern comforts, and sustainable living makes this property a truly exceptional offering.
