Međugorje, Commercial Building Under Construction, 5085 m2

A larger building has been constructed in rough works on a four-story structure, located in an excellent location. The total area of the building is 5085 m2.

The land area on which the building is constructed is 4800 m2.

Given that the building is in rough construction with installations, it can be repurposed for various uses such as a hotel, motel, retirement home, healthcare clinic, etc.

The buyer will be responsible for the repurposing and associated costs.

The property is located in a very attractive area, and there are no more available plots nearby for such an investment.
