#### Описание:

The rustic captain's cottage from the 19th century is located in the Herrenstall, a historic alley in the middle of the lively old town and only a few steps from the port. The house extends over three levels on a floor space of almost 40 square meters. The kitchen with dining area and the modern shower room with washing machine are on the ground floor. The living room with a cozy fireplace on the 1st floor is equipped with a high-quality sofa bed for a third person. The bedroom on the 2nd floor leads to the small, sunny roof terrace, which offers a view of Flensburg's old town. The house is equipped with free WiFi and 2 smart TVs. On request, a dedicated car parking space can be used for a surcharge. This is located in the nearby Norderstraße multi-storey car park on Segelmacherstraße in a secure, non-public area.
