There are numerous storage and storage options in the upper cabinets and in the washbasin. In the bedroom there is a bed measuring 140x200 with an electric slatted frame that can be moved at both the head and foot end. In the living/dining area there is a powerful midi stereo system, a writing cabinet that can also be used for the home office, and a table at which four people can eat comfortably. The kitchen is modern, in fresh, high-gloss red, with a ceramic hob, electric oven and plenty of storage space. A refrigerator with freezer compartment and a microwave are also available. In a lounge room you will find an additional sleeping area of 130x200 for your guests with a pull-out couch. Of course there is good WiFi and TV Magenta.
