Описание:

Are you looking for a quiet 2 or 3-room apartment with terrace and garden in Oldenburg, ideal for singles, couples, or small families? Then my furnished apartment might be just right for you. Due to my working abroad, I offer my apartment for subletting. The location is very convenient for commuters and students, with short distances to important facilities such as the University of Oldenburg and the police academy, as well as to the city center and the Bornhorster Seen. The modern kitchen is fully equipped and invites you to cook, while the cozy bedroom with a comfortable box spring bed and a desk ensures restful nights. The entire apartment offers you the best comfort thanks to fast Wi-Fi and fiber optic internet, even on the spacious terrace. The apartment is available for various periods in 2024 and 2025, and the all-inclusive rent already includes all additional costs as well as electricity and internet. With a largely barrier-free equipment and free parking right outside the door, the apartment offers everything you need for a pleasant stay. Smoking and parties are not allowed. If you are interested, do not hesitate to contact me for your desired period. Just pack your suitcase, come by, and feel at home in this modern apartment in the heart of Oldenburg. Welcome!
