Описание:

This idyllic and central apartment is ideal for families, as all children's accessories are available in the fully furnished apartment and the rental property includes an exclusively used, fully fenced and secluded garden. This is the monthly rent with everything included (Wi-Fi, electricity, water, other additional costs). The apartment is centrally located between the city center and the university near Eversten Holz. Bus stop, supermarket, doctor, etc. are all within walking distance in a few minutes. It is the rear apartment on the ground floor of a 3-party house with exclusive use of the garden and its own entrance. A parking space on the driveway is available. The bathroom has a shower and bathtub and a window. The kitchen is fully equipped. There is a winter garden. Heating is provided by permanently installed infrared panels. The apartment is fully furnished (but of course without the personal items that can be seen in the pictures) with a 2x2m bed, a 0.9x2m bunk bed and a 1.4x2m sofa bed - children's beds and bassinets are also available.
