The listed railway attendant's residence was built in 1901 by the Royal Railway Company. It was completely renovated and modernised in 2021. The single house has retained its unique charm. It has its own garden. Blankenes railway station is in the immediate vicinity. The Elbe, the centre of Blankenes and the famous Blankeneser Treppenviertel are within walking distance. The kitchen is fully equipped with a Siemens cooker and oven and Siemens dishwasher as well as a freezer and refrigerator. In the basement there is a Siemens washing machine and a Siemens tumble dryer. A large Smart TV in the living area leaves nothing to be desired. Through the Sonos home entertainment centre, music can be heard perfectly on the ground floor. The bathroom has a freestanding stylish bathtub, a separate shower as well as a washbasin and a WC. There is a guest toilet on the ground floor. Upstairs are the two bedrooms of the house. Bedroom 1 (no. 9 in the plan) has a box spring double bed (180 x 200 cm) and bedroom 2 (no. 10 in the plan) has a single bed (80 x 190 cm) which can be converted into a double bed (160 x 190 cm). A special highlight on the upper floor is the walk-in wardrobe (no. 8 in the plan).
