#### Описание:

High-quality furnished 2 room apartment in an Art Nouveau villa from 1904. The apartment is on the ground floor and has its own entrance. The ceilings in the living room and bedroom are approx. 3.40 m high and are decorated with stucco elements. Two beautiful antique ceiling fans complete the picture. The modern kitchen with high-gloss fronts has just been newly installed. In addition to a stove, oven, microwave, fully automatic coffee machine, fridge-freezer and dishwasher, a washer-dryer is also part of the equipment. The living room is furnished with a large sofa bed. A 43-inch LED television and a high-quality Blue Ray system are part of the equipment. Fast internet (100 MBit) and Magenta TV (170 channels) are also available. The sunny conservatory (approx. 7 sqm) - with a view of the Taunus - invites you to linger.
