Описание:

This modern designed apartment offers spectacular views of the Mediterranean Sea and the perfect Mallorcan lifestyle. It is located on the second floor and first line with spectacular sea views, right in the heart of the famous and impressive Paseo Maritimo.

Thanks to its south-east orientation, you will wake up to the sun and the sea breeze from the magnificent terraces. These offer you an unobstructed view of the deep blue Mediterranean and the yachts moored in the harbor.

This apartment was created and designed by Estudio de Arquitectura Interior Negre. Only high-quality natural materials were used for the interior and exterior fittings. It has high ceilings, a large living-dining room, a state-of-the-art kitchen and a large terrace where you can dine under the stars. Add the spacious bedrooms and en-suite bathrooms and you have the ideal space for a family or to welcome guests.
