Situated in the lively town of Martos in the province of Jaen in Andalucia, Spain. Located on a typical Andalucian street, with plenty of character. Entering the house there is a sitting room which opens into another room and through that is the bathroom. To the left a hallway leads to the kitchen with a door opening to the great outside space where there is a summer kitchen and a bathroom. Up some steps is a large patio garden perfect for planting vegetables, enjoying BBQ's and relaxing. On the first floor there is a total of 4 more rooms, one of them with storage. It is a good solid house which needs cleaning out and modernising and has plenty of potential for improvement. The photos have recently been updated, the video has not.
