Описание:

Partially reformed, detached cortijo nestled in the hills near Fuensanta de Martos, surrounded by mountains. This property offers the potential to become a lovely retreat or a breathtaking full-time home with olive grove neighbours and lovely views. It has a piped spring water supply, a new roof, diy solar panels with lead acid batteries, and several partially finished rooms. The front of the house has a fenced area with a walkway leading to the main house and to another door that opens into a large, unused space beneath the property, extending into a maintenance room. A final door grants access to your own private, patio area of around 42 m2. With ample storage and recreational areas, this cortijo holds incredible potential.
