Cumbre Villas presents this beautifully renovated home near La Caleta de Salobreña, offering stunning views of the sea and the Moorish castle. The property features three bedrooms, two of them en-suite, one separate bathroom, a modern kitchen, and an open-plan living-dining room. It also includes a recently built and tastefully decorated independent studio apartment with a kitchen and bathroom. The exterior is divided into two distinct areas: a traditional-style garden with a barbecue terrace on the right side of the house, and spacious, modern terraces at the rear and left side, equipped with a bar, pizza oven, and comfortable spaces to relax and sunbathe. The heated infinity pool adds a touch of luxury and comfort. This home combines traditional elements with a modern design and excellent layout. With two garages and a fantastic location in Monte de los Almendros, it's within walking distance to La Caleta, the beach, local shops, and restaurants – putting you close to everything you need.
