Set on a generous 6,058m² plot, the property boasts stunning views over the surrounding landscape, offering peace and privacy just minutes from the vibrant town of Loulé. Designed by a German architect, the villa features distinctive finishes throughout, including a welcoming entrance hall with a glass roof that fills the space with natural light and unique architectural details that immediately set the tone for the home's character.

The country-style kitchen with dining area flows seamlessly into a spacious living room, complete with a cosy fireplace, exposed stone walls, and soaring wooden beam ceilings, creating a warm, inviting ambiance.

The ground floor includes two well-appointed bedrooms, each with an ensuite bathroom, and a guest toilet conveniently located off the main hallway. Upstairs, a charming attic-style bedroom opens onto a private roof terrace with panoramic views.

Outside, the villa is surrounded by a beautifully landscaped, mature garden filled with ancient trees. A generous terrace overlooks the swimming pool and sundeck, perfect for relaxing or entertaining.
