Описание:	

The open plan kitchen/dining/family area has been designed with modern living in mind, linking to a useful utility room and downstairs WC.

This space can accommodate a six-seater dining table and a two-seater sofa, and features a kitchen island and large bi-folding doors that lead to the paved patio and turfed garden, filling the room with light and bringing the outdoors in.

The lounge has a feature bay window which adds character and creates the perfect space for a cosy chair or smaller sofa, and there is also space for a five-seater corner sofa which is ideal for socialising.

Three of the bedrooms are double, including the main bedroom which links to a convenient en-suite with a large shower enclosure and designer Porcelanosa tiles. The spacious single bedroom is the perfect size for a home office or play area, and the main bathroom benefits from a separate shower enclosure, as well as a stylish double ended bath, white sanitaryware and designer Porcelanosa tiling.

The exterior of the Wilson is striking, with a front door canopy plus a detached garage. Not forgetting the bay window and the block paved driveway which add even more character to this home.
