Описание:	Charming Renovation Opportunity in a Prime Location

Set on one of our favourite streets, this characterful house enjoys the convenience of easy access and parking right outside. Just a short stroll from the historic centre, it offers huge potential for those looking to create a stunning home full of original charm.

Once a grand residence, the property still boasts high ceilings and beautiful antique wooden shutter-style doors, hinting at its former elegance. While the entrance hall, kitchen, and bathroom are in usable condition, the rest of the house is in need of significant renovation.

A new roof is required over the middle section of the property, and with thoughtful restoration—such as the addition of upstairs bathrooms and the transformation of the large terrace—this home could be truly exceptional.

Please refer to the video below for more details, including the current state of the roof and ceilings on the ground floor.
