#### Описание:

Situated in the quiet village of El Carmen, this economically priced pool home is ready for your own remodeling skills!

Whilst only a few miles from the beautiful Carrillo Beach, this home could be transformed into a prime property. The master bedroom, would be better suited as a family room, the kitchen needs remodeling and there is a "tree house" structure that would make a great play house or income unit.

This area in general is growing and this is a great starter home with multiple bedrooms and a cool pool, so come on down and check it out! For the price, you cant go wrong!
