Beautiful loft-style penthouse with tourist license in the heart of Tossa de Mar.

It consists of 50 m2 in an open loft-style space, where the kitchen separates the living room from the bed for relaxing. It also has a full bathroom, plenty of storage, high ceilings, a terrace and an elevator. The property is very cozy, with plenty of natural light.

A few meters away on the same street there is a parking space included in the price.

Tossa de Mar combines the beauty of the Mediterranean with the charm of its walled historic center. This exclusive penthouse is ideal for enjoying the tranquility, sea and coastal lifestyle all year round. It is also a fantastic investment as it has a tourist license with high occupancy and profitability.
