Описание:

This land overlooking the sea and the entire city of Funchal, is an excellent opportunity for the construction of several villas.

With a total area of 2,910 square meters, it is located in Boa Nova, offering a breathtaking view of the sea and our beautiful city.

Due to its large area, the land offers enough space for the construction of several villas, such as semi-detached or single-family houses, with generous private areas and ample spaces for leisure and coexistence.

In addition to the view of the sea and the city, the land also has a favorable topography, which allows the creation of pleasant outdoor spaces such as gardens, barbecue areas and swimming pools.
