Описание:

Buildable land located in the picturesque village of Soutelo, a calm and peaceful location, perfect for those who value the serenity of the countryside without giving up the proximity to the city. With a privileged location, it is less than 10 minutes from Chaves, offering easy access to all urban services and amenities.

This land is ideal for building your own home, whether it is a dream villa for permanent residence or a holiday home. The surrounding environment, characterized by natural landscapes, fresh air and a relaxed pace of life, also makes it an excellent opportunity .

If you are looking for a place with potential, in a growing area and with an excellent quality of life, this is the right space to carry out your project. - REF: 322/T/02355
