Описание:	

This unique and stylistic building, in need of renovation but habitable as is, will delight you with its exterior and interior character and its generous volumes. Featuring three large bedrooms and a spacious and light living room, as well as an 85m2 cellar with a well and a 65m2 artist's studio in the attic, this property is located in the lively medieval bastide town of Castillonnes, offering walking distance to all shops and amenities. The beautifully landscaped garden, very spacious for a village property (over 1600m2), is a haven for pleasant outside living. Work is required, particularly energy-efficient renovations, but this is a beautiful project with great potential. A must-see!
