Описание:	

We are delighted to present this real opportunity to acquire a modern, quality property at a very competitive price in the highly desirable area of La Finca Golf. This is a south facing ground floor bungalow with two bedrooms and two bathrooms. On entering the property, we find the bright living room, next to the functional kitchen. It is a comfortable and warm space, excellent to enjoy with family or friends. The two bedrooms are also very bright and have access to the garden, which gives a feeling of open and wide spaces. In addition, the master bedroom has an en-suite bathroom. To complete the description of this functional and warm house, we must mention the storage room, specially designed to store golf equipment! The 100M2 plot has enough space to build a private swimming pool in the future, and on the terrace there are two relaxing solariums with beautiful views to enjoy a few drinks at sunset. It is located just a few metres from the golf course and has two communal swimming pools.
