Описание:

Located in a quiet and fully pedestrian area of the historic center of Portimão, this charming house will seduce you with its elegant style and quality services. Combining authenticity and modernity, it offers a rare and sought-after living environment.

As soon as you enter, a magnificent patio, paved in Portuguese cobblestone, bathed in natural light thanks to its glass roof, invites you to relax. You will also enjoy a large private terrace, without any vis-à-vis, equipped with an outdoor kitchen and separate bathrooms - a real additional space, ideal for entertaining.

Inside, the modern kitchen is functional and fully equipped. The bright and welcoming living room is enhanced by noble elements: elegant carpentry, handmade wrought iron and Santa Catarina cladding.

The house includes a lovely bedroom with an en-suite bathroom, as well as an office space on the mezzanine, perfect for telecommuting or an extra bedroom. All areas are equipped with internet connection.

A rare, exquisite, bright property ideally located in one of the most sought-after areas of Portimão. - REF: HOLV - 25007
