Описание:	

Located on the second floor and last floor (attic) of a house built in the typical Dalmatian spirit.

On the 2nd floor there are: entrance staircase, hallway, living room with kitchen, bathroom, two bedrooms and a staircase leading to the top floor. In the top floor there is a bathroom, a bedroom, a living room and a balcony of 8 m2. The apartment is in the very heart of Trogir, just a few minutes' walk from the famous Trogir Cathedral of St. Laurence, Church of St. Sebastijan, the city square, the Ćipiko Palace and all the nearby sights of the city.

In the surroundings of the house there are numerous Trogir restaurants, coffee bars, banks and business premises of public and commercial services. The apartment is in a well-maintained condition, and its equipment is neat but with an old-fashioned spirit that fits this type of old town property.

An ideal investment for a pleasant vacation in Trogir, a symbol of the well-preserved Romanesque-Gothic small island town. For more information, we are at your disposal.
