Описание:

This elegant two-level villa in Sanur is thoughtfully designed to combine comfort, functionality, and style. Set on a 249 sqm land with a 164 sqm building size, the property offers plenty of space for family living or investment purposes. With 4 bedrooms and 4 bathrooms, it is ideal for those seeking a residence that accommodates larger households while still maintaining a modern and cozy atmosphere.

Inside, the enclosed living room provides a comfortable space for relaxing and entertaining, while a dedicated home office supports a practical lifestyle. The villa also features a private swimming pool, a landscaped garden, a gazebo for leisure moments, and a BBQ area for social gatherings. With its two-level layout, the property maximizes space efficiency and offers a sense of openness, making it well-suited for both daily living and hosting guests.

One of the villa's strongest advantages is its prime location—just 5 minutes away from Sanur Beach and Mertasari Beach. Despite this close proximity to coastal attractions, the villa remains tucked away in a peaceful environment, allowing you to enjoy tranquility without sacrificing convenience. This balance makes it not only a perfect choice for a serene home but also a promising investment opportunity in one of Bali's most sought-after destinations.
