Описание:	

This 2 are freehold land in Pejeng offers an excellent opportunity for long-term investment in one of Ubud's most sought-after areas. Surrounded by villas and other established properties, the land is perfectly positioned for those looking to develop their own private residence or a boutique rental business. The freehold title ensures lasting ownership, making it a secure choice for both personal and investment purposes.

Located in the peaceful area of Pejeng, the land provides a serene environment away from the busy crowds while still being close to Ubud's cultural and lifestyle hubs. This balance makes it ideal for creating a tranquil home or a profitable business venture that appeals to both locals and international visitors seeking a quiet retreat in Bali.

With its strategic location, calm surroundings, and growing demand for villas in Ubud, this land is a rare find for investors who want to secure long-term value. Whether for personal use or future development, the property offers strong potential in Bali's continuously expanding real estate market.
