Описание:

House located at the beginning of the parish of Feteira, with an unobstructed and privileged view over the Ilhéus das Cabras.

The property is in the initial phase of construction, with the rubble already removed and some preparation work started (rowing, plasterboard structure, among others).

Key features:

Possibility of creating 2 independent 2 bedroom apartments ideal for monetizing with two sources of income.

Solid structure, with reinforced concrete floors and wooden ceiling.

Backyard with outdoor space to enjoy.

No parking, but with a good location and access.

Excellent opportunity for investors or for those looking to customize their own home.

A project with great potential, in a quiet area, but close to the city, and with a unique view. - REF:
