Описание:

Joint sale of two rustic plots of land with 126 500 m2 on the site of Malpique, Sarilhos Grandes - Montijo
The land has about 126,500 m² and is crossed by the A33.

They have some ruins and are classified as REN and RAN, so it will only be possible to rebuild the current 270m2 or perhaps more for an agricultural project.

There is a water line that passes through the land as well as the motorway and a 150 kvs high-voltage line that is located about 30 meters from the existing buildings.

NOTE: Submission of proposals for the minimum amount announced, until 31-October-2025, at the end of this period, the owner entity will sell to the offer it considers most advantageous.

Only proposals accompanied by financing feasibility will be considered, except for acquisitions without recourse to credit. - REF: JFCGD-02002784/85
