Описание:

This lovely semi detached hideaway is located in a stunning rural location just a short drive to the beautiful historical Antequera which offers all the local amenities including large supermarkets and transport links to explore Andalucia. This property is accessed by a short track and the driveway leads up to a gated entrance. Once inside there is a pretty patio ideal for alfresco dining which looks over an established garden area consisting of a variety of fruit trees and plenty of room for creating a little vegetable garden. Once inside the main entrance leads in to a good size reception room and on to a cosy snug with log burning stove. The ground floor also offers two good size bedrooms a full shower room and a kitchen diner which has spectacular views out over the surrounding countryside. On the first floor there are two more bedrooms with beamed ceilings and wonderful views. This is a lovely property which has plenty to offer must really be seen to be appreciated.
