Описание:	

This commercial unit in Jacarilla offers 160 m² of interior space — a blank canvas ready for a full renovation. The property currently includes one bathroom and an open layout that can be completely redesigned to suit your business plans.

It's in need of total reform, but with its generous size, it has great potential for anyone looking to create a workshop, office, storage space, or even start a new business concept.

A great opportunity for investors or entrepreneurs with vision, ready to bring this space back to life.
