Описание:

Two developments with 65 unique and exclusive apartments under construction, with high quality finishes and a lot of attention to detail and comfort. With very good location, within walking distance of one of the most beautiful beaches in Lagos, supermarkets, shops and restaurants and not far from the city center.

With equipped kitchens, air conditioning, underfloor heating, electric shutters, solar energy, home automation system, fibre, excellent insulation, large outdoor swimming pool, gym and underground parking, these apartments offer the elegance and sophistication of modern life with the contrast of living in a city where tradition and development go hand in hand.

Completion scheduled for December 2028.
